Welcome To Your New Restaurant Service

From 1st September , GROW (abm catering) will be delivering a new and vibrant lunchservice at The Vineyard School .

My name is Sue Perry and I am your new Operations Manager looking after the new contract and I will be at The Vineyard on Friday for the summer fair so please come and meet me

Fantastic Food

Freshly prepared, innovative, healthy, nutritious, seasonal, local and ethically sourced.

Wonderful People

Our team are extremely proud of the food they prepare and serve, they enjoy working with pupils and interacting with them to make lunchtimes fun , our catering team led by Spencer will be delivering a new and exciting menu

Great Dining Experience

It's not just the food that is important, it is the whole meal experience. Dining with friends, enjoying familiar foods, having fun and enhancing the learning experience.

Special Days

Linked to annual events, the school curriculum, food festivals and interactive learning. Our specially themed menus add excitement to the school day. Our smoothiebike is always really popular along with Fruity Friday!

School Meals

School meals are free for every pupil in the school. this will include daily, main course and dessert. In addition, this includes freshly baked bread, a salad bar and a refreshing fruit-infused Hydration Station.

The perfect opportunity for your child to enjoy dining with friends at no cost or inconvenience to you.
