

# Family/Visitor Protocol

We welcome visitors to our school so we can work in partnership with families and the community. This includes parents, carers and all other visitors to the school.

At The Vineyard, we aim to establish a community in which everyone shows respect for themselves and for others so that everyone feels safe and happy.

We will welcome and treat visitors and families with respect and we expect that this will be reciprocated.

We will act to ensure that The Vineyard remains a safe place for pupils, staff and all members of our community.

We will not tolerate aggressive or threatening behaviour towards anyone in the school. This includes in person, via phone, via email or on any other platform.

We reserve the right to ban an individual from the premises or block an individual from social media as a result of such behaviour.

The Vineyard staff appreciate your support with adhering to this protocol.
