## WHY DANCING

The value of dance is as significant as learning maths, science or languages in early years. In fact, it promotes good scores and grades.

## OUR CLASSES

Our lesson plans are designed to create fast paced moving classes where non-repetitive, up to date music is used to create new dance routines every couple of weeks so that the children stay engaged. We're happy to answer any questions you have about this class or any others - simply get in touch today!
