

The Vineyard School
School Development Plan 2022-2024

Quality of Education

Priority 1: Further develop a well-structured curriculum for all subjects and develop subject leaders who have ownership and leadership of their designated area

Priority 2: Development of effective teaching methods to ensure retention of knowledge and skills taught and ensure access for all children

Priority 3: Develop and plan for use of the EYFS outside learning area to be a effective learning space

Behaviour and Attitudes

Embed the school's positive behaviour strategies

Leadership and Management

Priority 1: To ensure the new leadership team, staff and governors work in unity to drive the school forward

Priority 2: To develop clear and effective communication systems with the whole school community - parents, governors and staff

Personal Development

Ensure all children access a range of extra-curricular activities so pupils' talents and interests are extended
